KEY CHALLENGES

How to gain employees trust?

How to reduce bias in performance appraisal?

How to manage performance of remote workers?

How to foster continuous collaboration among teams?

How to build growth-driven culture?

How to reduce HR time spent on admin tasks?

DRIVING “HIGH PERFORMANCE” THROUGH ENGAGEMENT

Synergita is well positioned to help you adopt the trends and be a leader.

“Continuous” Development is the key

- ✓ Manage goals/OKR continuously to drive purpose.
- ✓ Provide continuous feedback and develop people
- ✓ Bring more “meaning” to the work through job satisfaction

Engagement drives Performance

- ✓ Engaged employees perform better
- ✓ Peers and team play key role in driving engagement
- ✓ There are lot to learn FROM employees

Technology is the enabler

- ✓ Intuitiveness & ease of use is important
- ✓ Mobile technology drives adoption
- ✓ Balanced mix of rating & moving away from rating
- ✓ Through AI, learn from people interactions

**Continuous
Performance Management**

+

**Employee
Engagement**
